

## School of Dentistry Doctor of Clinical Dentistry (DClinDent) Personal Statement

### All Applicants

Applications for commencement in Semester 1, 2019 close on **Wednesday, 30 May 2018**.

Please upload this personal statement form with your application. Applications will only be accepted through the University's [online application system](#).

### Supporting Documentation

Please make sure to upload the following documents to your online application by the closing date: academic transcripts, CV (including evidence of clinical experience, research publications and contact details for two referees), this personal statement, and if applicable, English Language Proficiency, evidence of RACDS Primary Examinations or equivalent, evidence of AHPRA registration and ADC examinations certificate. Applicants are not required to submit academic transcripts for studies undertaken at UQ.

### Selection

Limited places are available in each discipline and entry is determined using a competitive selection process and is based on academic records, other postgraduate qualifications, work and research experience since graduation, commitment to the discipline and referee reports.

### Clinical Assessment Program

Shortlisted applicants will be required to attend a Clinical Assessment Program to be held at the School which may include activities such as clinical observation, a situational judgement test, virtual case discussion & assessment, and a presentation task.

### Offers

Offers will be made to successful applicants in mid-August. No deferred enrolments are permitted.

### Registration

All successful applicants must be registered with the Dental Board of Australia to commence the program.
