

## Continuing Professional Development

# PRACTICAL ORAL SURGERY

**Presented by Dr Barbara Woodhouse**  
**Brisbane | 26 June 2020**

**Time:** 8.30am - 5.30pm

Registration from 8.00am

**Course fees:** \$700 (incl. GST)

Limited places

Morning tea, lunch and afternoon tea provided

**CPD:** 7.5 scientific hours

**Venue:** School of Dentistry

The University of Queensland

Oral Health Centre, Level 4

288 Herston Rd, Brisbane, QLD 4006

**Registration Closes:** 5 June 2020

## Course Overview

This one day course will provide participants with the knowledge and skills of everyday oral surgery. This will include extractions, impactions, breakages, instrument and suture selection, exposures, biopsies, pain control and closure of oro-antral communications. The course will include a hands on workshop practicing suture techniques on pig's trotters, video demonstrations and case discussions.

## About the Presenter

Dr Barbara Woodhouse is an Oral Maxillofacial Surgeon in Brisbane. Her special interests include trauma and orthognathics, advanced implantology, and the management of salivary gland and skin pathology.

CRICOS Provider Number 00025B
